L₂S₂

We are a church of imperfect people, seeking to **Love God, Love Others, Serve Our Community, and Serve our World**, as we try to *live & love like Jesus.*

Gilmer Church of Christ

February 14, 2021

Welcome!

Isn't it great to be together! Our Leaders want to encourage you to set up a **Front Porch Visit!** They may be calling you to set one up soon. Let's commit to find new and creative ways to reach out to one another, to our neighbors, and to stay connected with each other!

Front Porch Ministry

We Have Missed You!

And we want to do something about it! If you're feeling the effects of isolation as so many are, email, call, or text D.J. or any Shepherd, let us know & we'll set up a visit. We'll wear masks, bring some lawn chairs, sit on the "porch," & chat.

NOTE: No actual front porch required...

In many ways, our postmodern American culture has co-opted Christianity. I mean a couple of things by that...First, there's this pervasive belief that once you become a follower of Jesus, all your troubles go away. Second, when you think about the rugged individualism that is valued as part of the "American Dream," and then when you think about how those things interplay, it's a recipe for an unbiblical picture of what it means to follow Jesus!

Somehow, we've come to believe that its wrong to have doubts. That it makes us "less" of a Christian if we have feelings of doubt...nothing could be further from the truth. Today, we are going to unpack that just a bit as we consider how when we doubt, its all the more important that we *Hang On*.

*It's a blessing to worship with you today. I'm **DJB** glad you're here. #L2S2*
