## From the Bulls' Pen

**Vol. 4, #8**

Do you have a filter? I bet you do. Sometimes, I say something and think to myself, "wow, I really should have run that through my filter..." Have you ever thought of Scripture as a filter? The living, breathing, Word of God as something through which you consider every thought, every word you speak? Because God's word tells us we're supposed to do that. But it's so easy to assume other people will do that for us, isn't it. "Well, it's in there somewhere."

Today, we launch into a short series that will look at some common misunderstandings, misconceptions about things that may be more from popular culture or pop psychology and have been assumed to be in Scripture...but really, they aren't. **Bring Your Bibles...**and let's dig deep into God's word together. I'm glad you're here today.
